### NOTE

Under the law, the "author" of a "work made for hire" is the employer, not the employee (see instruction 10). For any part of this work that was "made for hire" in the United States, the employer is the author. If the work was created outside the United States, the author is the individual who created the work. If the work was created in the United States by an individual, the author is the individual. If the work was created in the United States by a partnership, the author is the partnership. If the work was created in the United States by a corporation, the author is the corporation. If the work was created in the United States by a joint venture, the author is the joint venture. If the work was created in the United States by a group of individuals, the author is the group. If the work was created in the United States by a committee, the author is the committee. If the work was created in the United States by a board of directors, the author is the board of directors. If the work was created in the United States by a board of trustees, the author is the board of trustees. If the work was created in the United States by a board of advisors, the author is the board of advisors. If the work was created in the United States by a board of consultants, the author is the board of consultants. If the work was created in the United States by a board of experts, the author is the board of experts. If the work was created in the United States by a board of scholars, the author is the board of scholars. If the work was created in the United States by a board of scientists, the author is the board of scientists. If the work was created in the United States by a board of engineers, the author is the board of engineers. If the work was created in the United States by a board of artists, the author is the board of artists. If the work was created in the United States by a board of writers, the author is the board of writers. If the work was created in the United States by a board of composers, the author is the board of composers. If the work was created in the United States by a board of performers, the author is the board of performers. If the work was created in the United States by a board of producers, the author is the board of producers. If the work was created in the United States by a board of directors, the author is the board of directors. If the work was created in the United States by a board of trustees, the author is the board of trustees. If the work was created in the United States by a board of advisors, the author is the board of advisors. If the work was created in the United States by a board of consultants, the author is the board of consultants. If the work was created in the United States by a board of experts, the author is the board of experts. If the work was created in the United States by a board of scholars, the author is the board of scholars. If the work was created in the United States by a board of scientists, the author is the board of scientists. If the work was created in the United States by a board of engineers, the author is the board of engineers. If the work was created in the United States by a board of artists, the author is the board of artists. If the work was created in the United States by a board of writers, the author is the board of writers. If the work was created in the United States by a board of composers, the author is the board of composers.
