3.7 Litigation

In August 1993, a securities class action lawsuit was filed in Superior Court of San Francisco, California and is now pending in the Superior Court of Santa Clara County, California against the Company, Douglas Michels, Lars Turndal, Dan Steimle, Larry Michels and the Company's underwriters. The lawsuit alleges violations of the Securities Act of 1933, pertaining to alleged misrepresentations and omissions in the Company's Registration Statement and Prospectus in connection with its initial public offering. In May 1994, the case was dismissed. The plaintiffs filed a notice of appeal in June 1994.

In February 1995, Micro-Quick Systems, Inc., a software dealer, commenced legal action against the Company in the California Superior Court in San Bernadino County seeking to recover unspecified damages in excess of \$1,000,000. Micro-Quick alleges the Company failed to deliver conforming product and failed to support said product.

In May 1995, an action was filed in the Superior Court of Santa Cruz County, California by a former employee against the Company and two current employees alleging sexual harassment, employment discrimination, breach of contract and related claims.

In August 1995, JSB Computer Systems, Ltd., a software vendor, filed a complaint against the Company in the Superior Court of Santa Cruz County, alleging breach of contract for failure to make appropriate payments under the contract. JSB seeks to recover unspecified damages in excess of \$100,000.

(v) None of SCO's assets are treated as "tax-exempt use property" within the meaning of IRC 168(h).

(vi) SCO is not, and has not been, a "US real property holding corporation" within the meaning of IRC 897(c)(2).
