EXHIBIT 2

I. SCO/Novell Documentation Transition Issues (10/16/95)

- The "Ref#" is included if the issue is described in the original SCO issues document.
- For online and printed books, issues are organized from front cover to back cover (cover, titlepage, etc.)
- Issues are repeated if they apply to more than one part of a book.

Ref#	Issue Description	Owner	Due Date	Status or Resolution
1.3.3	Doc Contacts	ma	9/26/95C	Marcia Allen designated Bridget Derc as the primary contact for SCO. Suzan McGarry for SCO is expediting answers to copyright/trademark issues. Elka Grisham has designated Jim Blinn as the primary contact for Novell on doc issues.
	Online Books			
	Legal Approval	shellyla	10/11/95C	Shelly Laschkewitsch approved wording for Copyright Notice and use of Novell Disclaimer page for UW 2.1.
	Copyright Notice	shellyla	10/10/95C	Only the notice that appears when each book is opened will be changed. SCO will replace Novell as the Copyright owner.
	Disclaimer Page	shellyla	10/10/95C	Disclaimer page that appears when you click on the copyright icon will remain Novell style and content.
	Part Numbers	suzanmc	10/11/95C	There are no part numbers in online books.
1.1.4	Books that haven't changed	shellyla	10/10/95C	Above resolutions for "Online Books" apply both to books that haven't changed since UW 2.01 and books that have changed.
1.3.5	**Front Cover—Printed Books**			
	Legal Approval	shellyla	10/18/95	STATUS 10/16: Jim sent mail to Suzan to see if legal approval of titles is required.
	Artwork	suzanmc	10/6/95C	Suzan is responsible for providing the Cover art to the print vendor.
	Product Name	chrisr	10/18/95	ISSUE: Will it be "SCO UnixWare?" STATUS 10/11: Suzan passed this issue to Chris Ratcliffe.
	Book Title	suzanmc	10/6/95C	We will send copies of titlepages to Suzan, who will forward them to the print vendor to use as the text on the Cover.
	Release Number	suzanmc	10/6/95C	Not on cover; see Disclaimer page.
	Inside Front Cover	suzanmc	10/6/95C	Nothing appears here.
1.3.5	**Titlepage—Printed Books**			
	SCO Template	henryb	10/11/95C	Jim received template from Henry Budgett.
	Artwork	bridgetd	10/4/95C	There is no artwork on the titlepage; only the product name and book title are present, for which we will use the Palatino fonts supplied in the template.
	Product Name	chrisr	10/18/95	ISSUE: Will it be "SCO UnixWare?" STATUS 10/11: Suzan passed this issue to Chris Ratcliffe.
	Book Title	bridgetd	10/5/95C	Use the font and size supplied in the template.
	Release Number	suzanmc	10/6/95C	Not on titlepage; see Disclaimer page.
	Disclaimer Page—Printed Books			
	Legal Approval	shellyla	10/11/95C	Shelly approved wording for Disclaimer pages based on SCO template.
	SCO Template	henryb	10/5/95C	Jim received template from Henry Budgett.
1.1.2	Copyright Notice	shellyla	10/11/95C	Shelly requested that date format be of the form "1992-1996" and that SCO be shown as the copyright owner for those years.

Ref#	Issue Description	Owner	Due Date	Status or Resolution
	Third-party Copyrights	shellyla	10/10/95C	Shelly requested that we integrate third-party copyrights into SCO disclaimer page in front matter.
1.1.1	Disclaimer	suzanmc	10/6/95C	Use wording provided in SCO template.
1.1.2	SCO Trademarks	esc	10/18/95	STATUS 10/16: Ed Chatlos confirmed that the "UnixWare," "Windowing Korn Shell," and "WKSH" trademarks will be transferred from Novell to SCO. Burt Levine is checking into who owns "OPEN LOOK" and "MoOlit."
1.1.2	Third-Party Trademarks	shellyla	10/6/95C	Shelly approved use of SCO blanket acknowledgement, rather than listing all trademark owners like Novell does.
	Permission Statements	shellyla	10/10/95C	Shelly requested that we integrate third-party permission statements into SCO disclaimer page in front matter, just before the "Restricted Rights" section.
	Restricted Rights	suzanmc	10/6/95C	Used wording provided in SCO template.
	Software Copyrights	shellyla	10/6/95C	Shelly agreed that we did not have to list any software copyrights on the disclaimer page.
	Document Version	suzanmc	10/6/95C	Bridget and Suzan said to use the release number: 2.1
	Release Number	suzanmc	10/6/95C	see Document Version.
	Document Date	suzanmc	10/11/95C	Byron Dooley and Gary Perry approved "February 1996"
	Part Number	suzanmc	10/6/95C	Part number does not appear on SCO disclaimer page.
1.1.4	Books that haven't changed	byrond	10/10/95C	The above changes will be made to all books that are printed, either for the New SCO Box or in Doc Sets.
1.1.4	NetWare Client Books	byrond	11/15/95?	ISSUES: Does SCO want to print these books? Does SCO have the rights to the source for these books? If the answer to either or both of these questions is "yes," then files are required in EJFIGS for printing books and may be required for the Source Code Product MRD. STATUS 10/16: Jim will forward this issue to Byron.
	Book Contents			
	Use of "Novell"	klinger	9/26/95C	We will remove inappropriate references to Novell.
	"Novell" logo (printed books)	klinger	9/26/95C	We will remove logo from the top of chapter pages of Frame books.
1.2.5	References to "Support"	zorro	10/13/95C	Reference modified to say to contact "Technical Support," without giving specific company information (this style is preferred by OEMs, too).
	Trademarked terms	shellyla	10/18/95	STATUS 10/16: Jim left word with Shelly and Bridget to verify that terms must be marked with (R) or (TM), except that books using Novell "*" style for third-part trademarks need not be changed.
	SCO Style Guide	bridgetd	TBD	STATUS 10/12: Jim requested a copy from Bridget.
	Comment Form	chrisr	10/18/95	STATUS 10/11: A comment form will go in one book that ships with the product; Chris will identify book and provide template.
	Page Before Back Cover			
	SCO Template	henryb	10/11/95C	Jim received template from Henry Budgett.
	Page Required?	suzanmc	10/18/95	ISSUE: Can we avoid supplying this page? Covered books have the part number on the back cover. Self-covered books could have the part number at the bottom right of the titlepage.

SCO1605020

Ref#	Issue Description	Owner	Due Date	Status or Resolution
	Document Date	suzanmc	10/18/95	STATUS 10/11: Jim asked Suzan to check into this. STATUS 10/11: Suzan will check to see that it is the same as the one on the disclaimer page; Byron Dooley and Gary Perry approved "February 1996" for that page.
2.2.2	Part Number	suzanmc	10/18/95	STATUS 10/11: On 10/6/95, Jim sent Suzan book lists indicating which ones are urgent. Part numbers are required by 10/18 for books going in the New SCO Box; 11/15 for books going in Doc sets.
	Number at bottom of page	suzanmc	10/11/95C	Print vendor adds this number for their own book identification.
	Inside Back Cover	suzanmc	10/6/95C	Nothing appears here.
	Back Cover Artwork	suzanmc	10/6/95C	Provided by SCO to print vendor; only contains bar code and part number.
2.3.1	Doc Order Card			
	Grouping books for ordering	chrisr	11/20/95?	STATUS 10/11: Work with Chris on this next week.
	Formatting the card	chrisr	11/20/95?	STATUS 10/11: Work with Chris on this next week.
	Reviewing the card	chrisr	11/20/95?	STATUS 10/11: Work with Chris on this next week.
2.2.2	Manufacturing—Printed Books			
1.3.5	Program Liaison	byrond	10/3/95C	Byron Dooley is the Eiger Program Liaison (EPL); Chris Ratcliffe is the Product Manager.
	Size of Book	jcb	10/6/95C	SCO and Novell books have same footprint (7x9).
	Book Titles	suzanmc	10/20/95	ISSUE: In what form will we provide titles for covers: for covered books? for self-covered books? STATUS 10/11: Jim asked Suzan to look into this.
	New SCO Box—Hand-off	suzanmc	10/20/95	STATUS 10/11: Suzan and Chris will work with us on this.
	New SCO Box—Schedule	suzanmc	10/20/95	ISSUE: We were planning to send books to the print vendor beginning 10/27. STATUS 10/11: Suzan and Chris will work with us on this.
	Doc Sets—Hand-off	suzanmc	11/10/95?	STATUS 10/11: Suzan and Chris will work with us on this.
	Doc Sets—Schedule	suzanmc	11/10/95?	STATUS 10/11: Suzan and Chris will work with us on this.
	FIGS Versions of Docs			
1.4.3	Languages beyond FIGS	byrond	9/26/95C	None.
1.4.3b	Languages beyond "J"	J PT	10/6/95	STATUS 9/26: wendyj was to contact Dick Hamilton and Salim Ling.
1.4.4	Packaging of FIGS Docs	byrond	10/3/95	STATUS 9/26: Will it be E, G, J, FIS? Packaging requirements should follow software requirements.
1.4.4b	Packaging of "J" Docs	J PT	10/6/95	STATUS 9/26: Work at same time as issue 1.4.3b.
1.4.7	Source Code Product Docs	MP 15	TBD	STATUS 10/4: Tech Pubs Team MP 15 will work with us; On 10/4/95, Jim emailed the UnixWare 2.01 Source Code Product plan to Bridget.
	COMPAQ Docs	mgg	11/1/95	STATUS 10/11: Jim will verify with Mark Gintner that they will follow previous plan of record, except they will not include User and Processor Upgrade O&I's.
	Novell SDK CD	jstewart	10/13/95C	Novell SDK CD Product Manager (John Stewart) verified that the UnixWare SDK will no longer be part of their product.

Ref#	Issue Description	Owner	Due Date	Status or Resolution
3.1.1	ClearCase	byrond	TBD	STATUS 9/26: Doc source is maintained under ClearCase system. Is the ClearCase license being transferred to SCO?
