**NINTH INTERIM APPLICATION OF BERGER SINGERMAN, P.A. FOR
COMPENSATION FOR SERVICES RENDERED AND REIMBURSEMENT OF
EXPENSES AS CO-COUNSEL TO THE DEBTORS IN POSSESSION FOR
THE PERIOD FROM MAY 1, 2008 THROUGH MAY 31, 2008**

Pursuant to sections 330 and 331 of Title 11 of the United States Code (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (collectively, the “Bankruptcy Rules”), and the Court’s *Administrative Order Establishing Procedures for Interim Monthly Compensation of Professionals*, entered on or about October 4, 2007 (the “Administrative Order”) (Docket No. 95), Berger Singerman, P.A. (“BSPA” or the “Firm”), co-counsel to the Debtors in Possession (“Debtors”), submits its ninth monthly application (the “Application”) seeking compensation and reimbursement of expenses for the period of May 1, 2008 through May 31, 2008 (the “Application Period”).

By this Application, BSPA requests an interim award of compensation in the amount of \$16,464.50 and reimbursement of actual and necessary expenses in the amount of \$136.59 for a total allowance of \$16,601.09 and payment of \$13,171.60 (80% of the allowed fees) and reimbursement of \$136.59 (100% of the allowed expenses) for a total payment of \$13,308.19 for the Application Period. In support of this Application, BSPA respectfully represents as follows:

³The Debtors and the last four digits of each of the Debtors’ federal tax identification numbers are as follows: (a) The SCO Group, Inc., a Delaware corporation, Fed. Tax Id. #2823; and (b) SCO Operations, Inc., a Delaware corporation, Fed. Tax ID. #7393.

Background

1. On September 14, 2007 (the “Petition Date”), the Debtors commenced these cases (the “Chapter 11 Cases”) by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

2. On or about October 4, 2007, the Court entered the Administrative Order, authorizing estate professionals (“Professionals”) to submit monthly applications for interim compensation and reimbursement for expenses, pursuant to the procedures specified therein. The Administrative Order provides, among other things, that a Professional may submit monthly fee applications. If no objections are made within twenty (20) days after service of the monthly fee application the Professional may file a certificate of no objection, after which the Debtors are authorized to pay the Professional 80% of the requested fees and 100% of the requested expenses. Beginning with the period ending on December 31, 2007 and at three-month intervals, or such other intervals convenient to the Court, the Professional shall file and serve an interim application for allowance of the amounts sought in its monthly fee applications for that period. All fees and expenses paid are allowed on an interim basis until finally allowed by the Court.

3. The retention of BSPA, as co-counsel to the Debtors was approved effective as of the Petition Date by the *Order Authorizing Employment of Berger Singerman, P.A., as Co-Counsel for Debtors Nunc Pro Tunc to the Petition Date*, entered on October 4, 2007 (the “Retention Order”) (Docket No. 97). The Retention Order authorized BSPA to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

BSPA'S APPLICATION FOR COMPENSATION AND FOR REIMBURSEMENT OF EXPENSES

Compensation Paid And Its Source

4. All services for which BSPA requests compensation were performed for or on behalf of the Debtors.

5. BSPA has received no payment and no promises for payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between BSPA and any other person other than the partners of BSPA for the sharing of compensation to be received for services rendered in this case. BSPA has received payments during the year prior to the Petition Date in the amount of \$425,000 from the Debtors in connection with its prepetition representation of the Debtors. Such amount includes a retainer for postpetition services in the amount of \$275,000. BSPA was current as of the Petition Date, subject to a final reconciliation of the amount actually expended prepetition. Upon final reconciliation of the amount actually expended prepetition, any balance remaining from the payments to the Firm was credited to the Debtors and utilized as BSPA's retainer to apply to postpetition fees and expenses pursuant to the compensation procedures approved by this Court and the Bankruptcy Code.

Fee Statements

6. The fee statements for the Application Period is attached hereto as **Exhibit A**. The statement contains daily time logs describing the time spent by each attorney and paraprofessional during the Application Period. To the best of BSPA's knowledge and belief, this Application complies with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules and the Administrative Order. BSPA's time reports are initially either handwritten or directly entered into the Firm's timekeeping program by the attorney or paralegal performing the

described services. The time reports are organized on a daily basis. BSPA is particularly sensitive to issues of “lumping” and, unless time was spent in one time frame on a variety of different matters for a particular client, separate time entries are set forth in the time reports. BSPA’s charges its clients for professional services on an hourly basis, which hourly rates are customary and comparable for professionals and paraprofessionals in bankruptcy and non-bankruptcy matters. In accordance with Del. Bankr. L. R. 2016-2(d)(viii), BSPA has reduced its charges related to any non-working “travel time” to 50% of BSPA’s standard hourly rate. To the extent it is feasible, BSPA professionals attempt to work during travel.

Actual and Necessary Expenses

7. A summary of actual and necessary expenses incurred by BSPA for the Application Period is attached hereto as part of Exhibit A. Consistent with Del. Bankr. L. R. 2016-2(e)(iii), BSPA has charged \$0.10 per page for photocopying expenses related to these cases. BSPA’s photocopying machines automatically record the number of copies made when the person that is doing the copying enters the client’s account number into a device attached to the photocopier. BSPA summarizes each client’s photocopying charges on a daily basis.

8. BSPA charges \$1.00 per page for outgoing facsimile transmissions. There is no additional charge for long distance telephone calls on faxes. The charge for outgoing facsimile transmissions reflects BSPA’s calculation of the actual costs incurred by BSPA for the machines, supplies and extra labor expenses associated with sending telecopies and is reasonable in relation to the amount charged by outside vendors who provide similar services. BSPA does not charge the Debtors for the receipt of faxes.

9. With respect to providers of on-line legal research services (e.g., LEXIS and WESTLAW), BSPA charges the standard usage rates these providers charge for computerized legal research. BSPA bills its clients the actual amounts charged by such services.

10. BSPA believes the foregoing rates are at or below the market rates that the majority of law firms charge clients for such services. In addition, BSPA believes that such charges are in accordance with the American Bar Association's ("ABA") guidelines, as set forth in the ABA's Statement of Principles, dated January 12, 1995, regarding billing for disbursements and other charges.

Summary of Services Rendered

11. The names of the partners and associates of BSPA who have rendered professional services in these cases during the Application Period, and the paralegals and case management assistants of BSPA who provided services to these attorneys during the Application Period, are set forth in the attached Exhibit A.

12. BSPA, by and through such persons, has prepared and assisted in the preparation of various motions and orders submitted to the Court for consideration, advised the Debtors on a regular basis with respect to various matters in connection with the Debtors' bankruptcy cases, and performed all necessary professional services which are described and narrated in detail below. BSPA's efforts have been extensive due to the size and complexity of the Debtors' bankruptcy cases.

13. The services rendered by BSPA during the Application Period can be grouped into the categories set forth below. BSPA attempted to place the services provided in the category that best relates to such services.
