Claimant

Patricia Laver 817 4<sup>th</sup> Ave Sacramento, CA Ph: 916 743 3399

Pursuant to a document filed the First (Non-Substantive) Omnibus Objection to Claims Pursuant to 11 U.S.C. §502(b) and Bankruptcy Rule 3007 (the "First Omnibus Claims Objection") by the above-captioned debtors and debtors in possession (collectively, the "Debtors") on October 7, 2008, seeking to alter the rights of the parties listed on Exhibits "A" through "D" of that document, to disallow one of more of such parties' claims (the "Disputed Claim") against the Debtors, the Claimant, being one of the parties listed under Exhibit "A" of the First Omnibus Claims Objection, I hereby file this petition to object to attempts by the Debtors to expunge my claim as a valid owner of stock (the "Objection").

- 1. The basis for the Objection is set out as follows:-
  - (i.) the claim of ownership of stock is valid and was supported by information provided to the Debtors in response to a request which was initiated by the Debtors themselves.
  - (ii.) the claim of ownership of stock is supported by the copy of the purchase order attached hereto and marked Appendix "A".
- 2. The Claimant is able to provide a Stock Certificate, however the stock broker needs up to 8 weeks to provide this document.

Should the Court decide that a Stock Certificate is required to further establish a valid proof of claim, then a 3 month adjournment of the First Omnibus Claims Objection is requested in order to obtain such document.

The Claimant respectfully request that the Court enter an order to allow the Disputed Claim to proceed, in its entirety, against the Debtors, and further to set aside any petition to disallow this Disputed Claim.
