Dear Rick:

I am still very interested in discussing new Mouse pricing with you. Unfortunately, we seem to keep missing each other. Since your Mouse business is very important to Microsoft, I would like to set up a meeting this Friday, April 26, where I will come out to Zeos with the Mouse Product Manager.

If this date is not convenient for you, please provide me with a convenient date and time and I will coordinate my schedule to meet with you.

Feel free to contact me at (206) 936-4335.

Regards,
