Re: DOS related documents

Dear Steve:

In going through my files yesterday I came across a note regarding someone who used to work for Vobis. It appears his testimony would be very useful for the cause of Caldera (and Novell). I hope this will be of use.

Also enclosed are a number of other articles and documents relating to the DOS products. You may already have some of these materials. If not, enjoy!

Regards,

David R. Bradford
Senior Vice President and
General Counsel
