DISCLAIMER

The Monthly Operating Reports are limited in scope, cover a limited time period, and have been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court and the United States Trustee. Furthermore, the Monthly Operating Reports contain information that has not been audited or reviewed by the Company's independent registered public accounting firm, has not been presented in accordance with U.S. generally accepted accounting principles ("GAAP"), and may be subject to future reconciliation and adjustments. Without limiting the foregoing, the financial information in the Monthly Operating Reports is unaudited and does not purport to present the financial statements of any of the Debtors in accordance with GAAP, and therefore may exclude items required by GAAP, such as certain reclassifications, eliminations, accruals, impairments and disclosure items. For example, among other matters, the value of (including without limitation the actual or likely sales prices for) many of the assets shown on the balance sheets included in the Monthly Operating Reports will be substantially less than what is shown in such information. The Company cautions readers not to place undue reliance upon the Monthly Operating Reports. There can be no assurance that the information in the Monthly Operating Reports is complete. The Monthly Operating Reports are in a format required by the United States Trustee and should not be used for investment purposes. The information in the Monthly Operating Reports should not be viewed as indicative of future results. This Disclaimer applies to all information contained herein.

This Monthly Operating Report is filed consistent with the format and allocations of liabilities as previously adopted by the Debtors prior to the appointment of the Chapter 11 Trustee. As the Trustee and its financial advisors have not had sufficient time to review all of the historical information previously reported by the Debtors, the Trustee reserves the right to amend these Monthly Operating Reports, including categorizing some liabilities as pre or post petition obligations. Filing this Monthly Operating Report shall not be deemed an admission by the Trustee as to the characterization of an obligation as pre or post petition.

Historically, the Company may not have distinguished between direct liabilities of debtor and non-debtor companies. The Trustee with its financial advisors is conducting a thorough analysis of the intercompany arrangement among the debtors and the non-debtor subsidiaries and reserves the right to modify these MOR's upon completion of its review.

SCHEDULE OF CASH RECEIPTS AND DISBURSEMENTS

Amounts reported should be per the debtor's books, not the bank statement. The beginning cash should be the ending cash from the prior month or, if this is the first report, the amount should be the balance on the date the petition was filed. The amounts reported in the "CURRENT MONTH - ACTUAL" column must equal the sum of the four bank account columns. The amounts reported in the "PROJECTED" columns should be taken from the SMALL BUSINESS INITIAL REPORT (FORM IR-1). Attach copies of the bank statements and the cash disbursements journal. The total disbursements listed in the disbursements journal must equal the total disbursements reported on this page. A bank reconciliation must be attached for each account. [See MOR-1a]
