EXHIBIT CC

Limited Warranty

<u>Media</u>.   Novell warrants the physical media of the software You have acquired (referred to in this limited warranty as the "Software") against physical defects for a period of 90 days from installation or purchase, whichever is later.   Your sole remedy for defective media is replacement.

<u>Software</u>.   THE SOFTWARE IS PROVIDED AS IS AND WITHOUT ANY WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY OR NONINFRINGEMENT.

THE SOFTWARE IS NOT DESIGNED, MANUFACTURED OR INTENDED FOR USE OR RESALE FOR ON-LINE CONTROL EQUIPMENT IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, SUCH AS IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR AIRCRAFT COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, DIRECT LIFE SUPPORT MACHINES, OR WEAPONS SYSTEMS, IN WHICH FAILURE OF THE SOFTWARE COULD LEAD DIRECTLY TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENT DAMAGE.

<u>Disclaimer</u>.   EXCEPT AS OTHERWISE RESTRICTED BY LAW, NOVELL MAKES NO WARRANTY, REPRESENTATION OR PROMISE NOT EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY.   NOVELL DISCLAIMS AND EXCLUDES ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE OR FITNESS FOR A PARTICULAR PURPOSE. NOVELL DOES NOT WARRANT THAT THE SOFTWARE OR ASSOCIATED DOCUMENTATION WILL SATISFY YOUR REQUIREMENTS OR THAT THE SOFTWARE AND DOCUMENTATION ARE WITHOUT DEFECT OR ERROR OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED.   Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.   This warranty gives you specific legal rights which vary from state to state.

<u>Limitation of Liability</u>.   EXCEPT AS OTHERWISE RESTRICTED BY LAW, NOVELL'S AGGREGATE LIABILITY ARISING FROM OR RELATING TO YOUR USE OF THE SOFTWARE, ASSOCIATED DOCUMENTATION OR ANY SERVICES PROVIDED BY NOVELL AND/OR ITS AGENTS IS LIMITED TO THE TOTAL OF ALL PAYMENTS MADE BY OR FOR YOU FOR THE SOFTWARE AND DOCUMENTATION .   NEITHER NOVELL NOR ANY OF ITS LICENSORS, EMPLOYEES, OR AGENTS SHALL IN ANY CASE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR PUNITIVE DAMAGES EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.   NEITHER NOVELL NOR ANY OF ITS LICENSORS, EMPLOYEES, OR AGENTS IS RESPONSIBLE FOR LOST PROFITS OR REVENUE, LOSS OF USE OF SOFTWARE, LOSS OF DATA, COSTS OF RE-CREATING LOST DATA, THE COST OF ANY SUBSTITUTE EQUIPMENT OR PROGRAM.   Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Novell Software Developer's Kit License

And Limited Warranty

Novell Software Developer's Kit License Agreement

The software and accompanying documentation (respectively "Software" and "Documentation") you have acquired are protected by the copyright laws of the United States and international copyright treaties. In addition, the possession and use of the Software and Documentation is subject to the restrictions contained in this License.   IF YOU HAVE NOT EXECUTED AN APPROPRIATE AGREEMENT WITH NOVELL FOR ENROLLMENT IN NOVELL'S DEVELOPER RELATIONS PROGRAMS, THEN YOU HAVE NOT RIGHTFULLY ACQUIRED THIS SOFTWARE AND ARE NOT ENTITLED TO THE LICENSES GRANTED HEREUNDER.   CONTACT NOVELL AT 1-800-RED-WORD FOR ENROLLMENT.

The Software contains various software programs with different license rights.   The type of license that applies depends on the following definitions and the permitted uses specified in the documentation accompanying the Software.

> Code means computer programming code.
> Source Code means human-readable Code and related documentation.
> Object Code means machine-readable Code which will not execute without further processing by a software compiler or linker.
> Derivative Software Product means Object Code resulting from either compilation of modified Source Code Software or linking Object Code Software with your own computer products, but does not include a software product that substantially duplicates the capabilities of the Software or that competes with the Software.
> Beta Product means Software and Code Novell identifies as "beta," "pre-release," or "futures."

License.   Subject to the terms and conditions of this License, Novell grants to you a non-exclusive, non-transferrable right to (a) use the Software, excluding Beta Products, on a single computer to develop Derivative Software Products, including the right to link Object Code Software and the right to use, modify, and compile Source Code Software; (b) reproduce and distribute the Derivative Software Product as a component part of your own computer products. You will register the Derivative Software Product with Novell Developer Relations, distribute the product at Your own expense and only under license, place an appropriate copyright notice on the product packaging and documentation (i.e., "Portions Copyright © [years of publication] Novell, Inc. All Rights Reserved."), and take all steps necessary to protect Novell's proprietary rights in the Derivative Software Product. Subject to the terms and conditions of this License, Novell grants to you a non-exclusive, non-transferable right to use Beta Products solely   for internal evaluation and testing purposes and to use SDK Beta Products solely   to develop Derivative Software Products for internal evaluation purposes.   You are not granted the right to distribute any Derivative Software Products developed from a Beta Product.   Beta Products are of pre-release quality, have not been fully tested, and may   contain errors and omissions.   Novell does not guarantee that Beta Products will become generally available to the public or that associated products will be released.   The entire risk arising out or your use of Beta Product remains with you.   Where components of the Software are accompanied by additional legal terms and conditions, Your use of the Software is subject to such additional provisions as well.   Novell reserves all rights not expressly granted to you.

Support.   Novell will have ho obligation to provide technical support or update or upgrades to You.

Confidentiality.   The Software, Documentation, Beta Products, and related information are proprietary and confidential information to Novell and its suppliers.   You agree not to disclose or provide the Software, Documentation, Beta Products or related information (including product features or the results of use or testing) to any third party or use the Software, Documentation, Beta Products or related information for any purpose other than as specified herein.   The obligations and restrictions of confidentiality in this License shall no longer apply to information which You can prove (a) is already known to You without an obligation to maintain its confidentiality, (b) becomes publicly known through no wrongful act of   You, (c) is rightfully received from a third party without breach of an obligation of confidentiality owed to Novell, or (d) is independently developed by You.   This provision shall survive termination of this License.

General Terms

Term.   The initial term of this License is one year from the date You acquire the Software. This License will automatically renew annually unless either party has given 120 days' prior written notice of termination.   You may terminate this License at any time.   This License shall terminate if you breach any of the terms or conditions and fail to cure such breach upon 30 days' notice.   You agree to destroy the original and all adaptations or copies of the Software, Documentation, and Derivative Software Product, or to return them to Novell upon termination of this License.

Rights Upon Termination.   Upon termination of this License, end users of the Derivative Software Product may continue to use the Derivative Software Product under the terms of their sublicense.   You agree that continued use or enforcement of these sublicenses will not obligate Novell to any end user, and that You will indemnify and hold Novell harmless from imposition or attempted imposition of any obligation or any claim against Novell arising from your distribution of the Derivative Software Product.   You will have the right to maintain one copy of each version of the Source Code Software and/or the Derivative Software Product but only for the purpose and to the extent reasonably necessary for You to provide support and maintenance to end users.

Governing Law.   Except as otherwise restricted by law, this License shall be governed by, and interpreted in accordance with, the laws of the State of Utah of the United States of America, without regard to laws of Utah governing conflicts of law.   Furthermore, it is understood that this License shall be treated as though it were executed in Utah County of the State of Utah. The parties agree that any action relating to this License shall be instituted and prosecuted in the courts of competent jurisdiction of the State of Utah.

Entire License.   This License sets forth the entire understanding and License between you and Novell and may be amended only in a writing signed by both parties.   NO VENDOR, DISTRIBUTOR, DEALER, RETAILER, SALES PERSON OR OTHER PERSON IS AUTHORIZED TO MODIFY THIS LICENSE OR TO MAKE ANY WARRANTY, REPRESENTATION OR PROMISE WHICH IS DIFFERENT THAN, OR IN ADDITION TO, THE REPRESENTATIONS OR PROMISES OF THIS LICENSE.

Waiver.   No waiver of any right under this License shall be effective unless in writing, signed

by a duly authorized representative of the party to be bound. No waiver of any past or present right arising from any breach or failure to perform shall be deemed to be a waiver of any future right arising under this License.

Export. Regardless of any disclosure made by You to Novell of an ultimate destination of the Software and Documentation, You will not export or transfer, whether directly or indirectly, the Software and Documentation, or any portion thereof, or any system containing such Software and Documentation or portion thereof, to anyone outside the United States without first complying strictly and fully with all export controls that may be imposed on the Software and Documentation by the United States Government or any country or organization of nations within whose jurisdiction You operate or do business. In particular, You assure Novell that, absent any required prior authorization from the Office of Export Licensing, U.S. Department of Commerce, 14th and Constitution Avenue, Washington DC 20230, You will not export or reexport (as defined in Section 779 of the Export Administration Regulations, as amended ("Regulations")) the Software and Documentation or any technical data or other confidential information, or direct product of any of the foregoing to Iran, Iraq, Syria, the People's Republic of China, Yugoslavia, or to any country in Country Groups Q, S, W, Y, or Z as defined in the supplement No. 1 to Section 770 of the Regulations, or such other countries as come under restriction by action of the United States Government, or to nationals from or residing in the foregoing countries, without first obtaining permission from the appropriate United States Government authorities. The countries subject to restriction by action of the United States Government are subject to change, and it is You's responsibility to comply with the United States Government requirements as they may be amended from time to time.

U.S. Government Restricted Rights. Use, duplication, or disclosure by the United States Government is subject to restrictions as set forth in FAR § 52.227-14 (June 1987) Alternate III(g)(3) (June 1987), FAR § 52.227-19 (June 1987), or DFARS § 52.227-7013 (c)(1)(ii) (June 1988), as applicable. Contractor/Manufacturer is Novell, Inc., 122 East 1700 South, Provo, Utah 84606.

Severability. If any provision in this License is invalid or unenforceable, that provision shall be construed, limited, modified or, if necessary, severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the other provisions of this License shall remain unaffected.
