| They will check with A   | andy if he is going to send his proposal to  | o us today.                            |   |
| However, his proposal  | more than likely is going to be about bu   | ying out Java.                         |   |
|  | ng Eric S. in the morning around G losin me to bid on ROW or countries outside   | •                                      |   |
